

## MCSA Fall 2008 Intersectional Request Form Instructions

Team leaders,

In order to ensure the attendance and space available to the MCSA at intersectional regattas, we are changing the sign up process for intersectionals. This will allow us to provide Ann Campbell, the ICSA Intersectional Coordinator, with our information earlier in the season to avoid rushing and confusion in the Fall.

Provided on this spreadsheet are:

- \*Intersectional Request Form Instructions
- \*Calendar of Fall 2008
- \*Fall 2008 Intersectional Schedule
- \*Intersectional Request Form

Please take a moment to look over the information at your next team meeting.

On the Intersectional Request Form there is a drop down menu provided to list the regattas your team would like berths to. Please rank the regattas in order of which you would like to attend. 1 being first, 2 second, 3 third, etc...

The forms are ready to print if necessary, just click on the print key.

Berths will be given out according to the participation record.

**Please note:** \*Promotional regattas are not scheduled through the Intersectional Coordinator.

Teams need to contact the school directly in order to participate.

\*Signing up for an **Invite Only** regatta does not guarantee a berth. Once I have gotten the invite from Ann Campbell I will let your team know.

The forms are due to Kelly Nichols by May 2, 2008. Teams that do not turn in forms will not be part of the first round of selections. Late forms will be taken into consideration after the process has been completed. There will always be time to sign up for intersectional regattas as the season progresses and teams withdraw or if berths become available.

Thank you,

Kelly Nichols
